

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF LORA FAYE MARCUM, LOUISA,)
KENTUCKY, TO DEVIATE FROM COMMISSION) CASE NO. 10,023
REGULATION 807 KAR 5:026, SECTION 6(7))

O R D E R

On September 3, 1987, Lora Faye Marcum, Louisa, Kentucky, filed a letter with the Commission requesting authority to use one-inch yard line to her property from the gas gathering line of Baiden Gas Company.

Jack Stumbo, a member of the Commission staff, inspected the proposed location and found the Baiden Gas Company has discontinued the service to Lora Faye Marcum, and gas is not delivered to her property.

BACKGROUND

On August 25, 1987, the Commission ordered Baiden Gas Company¹ to comply with the Commission regulation by September 1, 1987, by determining that all of its customers' hookups comply with the Commission regulations.

The customers of the Baiden Gas Company have been notified of changes required in their systems to comply with the Commission regulations, and their systems have been inspected by members of the Commission staff.

¹ Case No. 9954, Failure of Baiden Gas Company to Comply with Commission Regulations.

One of the violations of some of the Baiden Gas Company customers was using one-inch yard line instead of one and one-fourth inch line.

The lengths of the lines were measured, and the lines were tested by a member of the Commission staff.

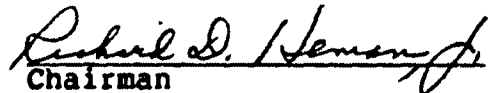

CONCLUSION

The Commission, having considered the application and all evidence of record and being fully advised, is of the opinion and finds that since Lora Faye Marcum was pulled out from Baiden Gas Company service her application for the deviation is not valid.

IT IS THEREFORE ORDERED that Lora Faye Marcum's application shall be and hereby is dismissed without prejudice.

Done at Frankfort, Kentucky, this 2nd day of October, 1987.
