O R D E R

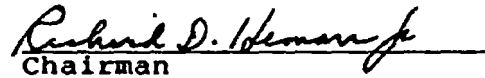

On July 22, 1988, Operator Assistance Network ("OAN") filed its response to a Commission request for information. Along with the response OAN filed a Petition for Confidential Treatment of certain information concerning its customers. In support of its Petition, OAN states that the information is highly sensitive and its disclosure would cause substantial competitive injury.

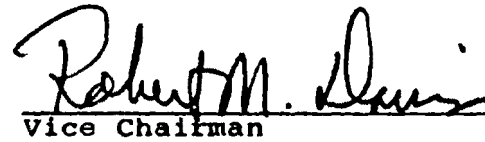

The Commission, having considered the Petition and being advised, is of the opinion and finds that it should be granted, consistent with the provisions of 807 KAR 5:001, Section 7, Confidential Information not Publicly Available.

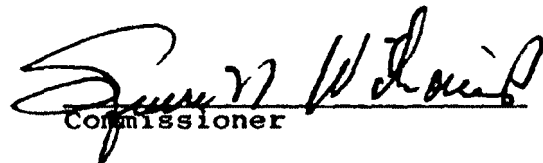

Accordingly, the above finding is HEREBY ORDERED.
