

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF INTERNATIONAL TELECHARGE,)
INC., FOR A CERTIFICATE OF PUBLIC)
CONVENIENCE AND NECESSITY TO OPERATE AS A) CASE NO. 10002
RESELLER OF TELECOMMUNICATION SERVICES)
WITHIN THE STATE OF KENTUCKY)

ORDER

On November 11, 1988, an informal conference was held pertaining to the above-styled matter. Notice was given to all intervenors of record, and the informal conference was attended by representatives of AmeriCall Systems of Louisville, South Central Bell Telephone Company, and International Telecharge, Inc. ("ITI"). At the informal conference there was considerable discussion of the substantive issues of the application for ITI for authority to provide service within Kentucky. Prior to the informal conference, ITI filed proposed supplemental evidence in support of its application for certification on rehearing. This supplemental evidence formed the basis for most of the discussion at the informal conference. A memorandum summarizing the informal conference was prepared by the Commission Staff and has been made a part of the record of this case.

The Commission is of the opinion that it may consider the substantive aspects of ITI's application on rehearing without a formal public hearing. The Commission is also of the opinion that in order to develop a complete record and discussion of the many

issues in this case, ITI and the intervenors should have the opportunity to file comments or summaries of their positions on the various issues identified and discussed during the pendency of this case. Therefore, the Commission finds that the procedural schedule attached as Appendix A shall be established in order to complete the record relating to ITI's request for authority.

BE IT SO ORDERED.
