

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ADJUSTMENT OF GAS AND ELECTRIC)
RATES OF LOUISVILLE GAS AND) CASE NO. 10064
ELECTRIC COMPANY)

AMENDED ORDER

On July 1, 1988, the Commission issued the final Order in this case granting Louisville Gas and Electric Company ("LG&E") an increase in gas and electric rates for service rendered on and after May 20, 1988. On pages 10 and 11 of that Order, the Commission found that all revenues associated with additions to the Trimble County Generating Station ("Trimble County") construction work in progress ("CWIP") since LG&E's last rate case should be collected subject to refund and that this will result in an annual provision of \$11.4 million being collected subject to refund. However, the ordering paragraphs requiring the \$11.4 million to be collected subject to refund were inadvertently omitted. Therefore, that Order should be amended to include these ordering paragraphs.

IT IS THEREFORE ORDERED that:

1. The Commission's Order of July 1, 1988 be and it hereby is amended to include the following ordering paragraphs.

a. All revenues associated with the annual provision of \$11.4 million shall be collected subject to refund, pending the final dollar amount of disallowance to be determined in a

proceeding dealing with the revenue requirements effect of Trimble County CWIP.

b. LG&E shall maintain its records in such manner as will enable it, the Commission, or any of its customers, to determine the amounts to be refunded and to whom due in the event a refund is ordered by the Commission.

2. All other provisions of the Commission's Order of July 1, 1988 shall remain in full force and effect.
