

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF RATES OF BEREA )  
COLLEGE ELECTRIC UTILITY ) CASE NO. 10066

O R D E R

On November 25, 1987, Berea College Electric Utility ("Berea") filed an application for an adjustment of rates. The City of Berea ("City") intervened.

On April 14, 1988, the Commission Staff and Berea met to discuss the issues in the case and to attempt to resolve those issues by settlement. The City chose not to participate. As a result of that meeting, a proposed settlement was reached. It was submitted to the Commission at a public hearing held on April 19, 1988.

After careful review of the proposal, the Commission finds that the Proposed Settlement is reasonable and should be accepted for rate-making purposes. The rates and terms of service are reasonable and in accord with generally accepted rate-making standards.

IT IS ORDERED that:

1. The Proposed Settlement filed April 19 is appended to and is incorporated into this Order;
2. The Proposed Settlement is adopted as the final Order;

3. The rates produced by the Proposed Settlement and included in Appendix A are fair, just and reasonable, and are approved for service rendered by Berea on and after May 1, 1988;

4. Berea shall file appropriate tariffs within 30 days from the date of this Order; and

5. Berea shall file an affidavit of compliance with the terms and conditions of the settlement within 30 days of the date of this Order.

Done at Frankfort, Kentucky, this 29th day of April, 1988.
