

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AT&T TARIFF FILING PROPOSING AT&T)
800 READYLINE) CASE NO. 10106

O R D E R

On December 14, 1987, the Commission issued an Order in this case approving AT&T 800 Readyline. The Order contained certain stipulations and conditions that AT&T was to follow.

AT&T was ordered to implement procedures to measure and report certain usage and file those reports with the Commission. The implementation procedures were to be filed by December 21, 1987. These reports are to be incorporated into the generic docket concerning intraLATA compensation to be established in January, 1988.

On December 21, 1987, AT&T filed a letter with the Commission requesting that it be allowed to report the required data on a quarterly basis similar to the method currently used to report SDN, Megacom/Megacom 800 and ULAS information.

The Commission after being advised is of the opinion and finds that the request made by AT&T concerning the method of reporting required information in this case is acceptable and should be approved.

IT IS THEREFORE ORDERED that the request by AT&T, filed December 21, 1987, concerning the method of reporting the required information in this case is hereby approved.

Done at Frankfort, Kentucky, this 25th day of January, 1988.
