

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFFS COVERING NON-RECURRING )  
RATES FOR NETWORK INTERFACES ) CASE NO. 10176

O R D E R

On February 19, 1987, South Central Bell Telephone Company ("South Central Bell") made a tariff filing with the Commission that modified the provision of network interface equipment by (1) adding and deleting interface devices, (2) rewording interface descriptions, and (3) adjusting interface device rates. Along with the tariff filing, South Central Bell filed a motion to deviate from 807 KAR 5:001, Section 10, Application or Notice for Authority to Adjust Rates. On March 17, 1988, the tariff filing was suspended to allow additional time for investigation.

The rates involved in the tariff filing are non-recurring in nature and, therefore, no existing on-line customer is affected by the rate changes. Furthermore, the tariff filing is (1) not opposed by any party, (2) cost based, (3) essentially revenue neutral, and (4) does not involve any substantial regulatory issues.

Therefore, the Commission is of the opinion and finds that:

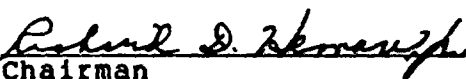

1. South Central Bell's motion to deviate from the provisions of 807 KAR 5:001, Section 10 should be approved.
2. South Central Bell's network interface equipment tariff filing should be approved, effective the date of this Order.

3. South Central Bell should file revised tariff pages effecting this decision within 30 days from the date of this Order.

Accordingly, each of the above findings is HEREBY ORDERED.

Done at Frankfort, Kentucky, this 14th day of April, 1988.
