IT IS ORDERED that Cumberland Cellular Telephone Company, Inc. ("Cumberland Cellular") shall file an original and 10 copies of the following information with the Commission. The information requested herein is due no later than August 5, 1988. If the information cannot be provided by this date, Cumberland Cellular should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which it will be furnished. Such motion will be considered by the Commission.

1. The system described in paragraph 4 on page 6 of the application identifies different locations than those identified in the FCC and FAA applications. Please reconcile these differences and provide modifications of the FCC and FAA application, if modifications were required by these agencies.

2. Provide a diagram showing all structures within 500 feet of the tower.

3. Provide a legible map clearly labelling all antenna sites. The maps provided are not legible.

4. Provide a description and vertical profile sketch of the tower.

5. Has Cumberland Cellular already started construction?

6. If the response to question 5 is yes, indicate if the construction is completed or when it will be completed.

Done at Frankfort, Kentucky, this 20th day of July, 1988.
