BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF KENTUCKY TELEPHONE)
COMPANY FOR A CERTIFICATE OF PUBLIC) CASE NO. 10319
CONVENIENCE AND NECESSITY TO PROVIDE)
RESALE OF TELECOMMUNICATION SERVICES)
AND FACILITIES WITHIN KENTUCKY)

O R D E R

IT IS ORDERED that Kentucky Telephone Company ("Kentucky Telephone") shall file an original and ten copies of the following information with the Commission, with a copy to all parties of record. The information requested herein is due no later than September 23, 1988. If the information cannot be provided by this date, Kentucky Telephone should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which it can be furnished. Such a motion will be considered by the Commission

IT IS FURTHER ORDERED that the Motion of AmeriCall Systems of Louisville for a procedural schedule be granted. The procedural schedule attached as Appendix A shall apply.

1. Identify all services that Kentucky Telephone intends to subscribe to or purchase for purposes of resale, e.g. WATS, MTS, private line. Tariff references should be supplied where applicable.

2. What originating access services will Kentucky Telephone order?

3. From which local exchange companies will Kentucky Telephone order access services?

4. Identify the switch in which Kentucky Telephone will terminate originating access services purchased from local exchange companies.

5. Identify Kentucky Telephone's "network supplying vendor." Provide copies of any agreement between Kentucky Telephone and its network supplying vendor.

6. Explain the statement in paragraph 6 of the application - "the applicant will offer interstate WATS-like service."

7. Does Kentucky Telephone intend to offer intraLATA service? If the answer to this question is yes, what services will be utilized by Kentucky Telephone to offer intraLATA services?

8. In paragraph 6 of the application, Kentucky Telephone states that its service will result in "considerable savings, approximately 10 to 20 percent, as compared to the cost of direct dial calls made through the local telephone company." Identify the carrier(s) whose rates have been used as the benchmark in determining the amount of savings to be offered by Kentucky Telephone.

9. Does Kentucky Telephone intend to provide its own billing service?

10. Does Kentucky Telephone intend to provide operator-assisted or other 0+ services?

11. Please provide a detailed income statement and balance sheet for Kentucky Telephone dated within 90 days of the date of the application for a certificate. Format is to be similar to the annual Form M filing.

12. Please provide pro forma operating statements including the company's potential or forecasted demand for its first 2 years of service or provide evidence of sufficient cash reserves or financial backing (bank lines of credit) sufficient to sustain applicant through its initial operating period (2 years).

13. Please provide an approximation of the number and types of customers to be served.

14. Sheet No. 5 of the company's tariff stipulates that customer deposits will be placed in an escrow account. Will this be an interest bearing account and if so, what interest will accrue to the customer? If it is not to be an interest bearing account, please explain?

15. When will a customer be eligible to have his deposit returned?

16. Is there a minimum to which the late payment charge will be applied? To what amount will the late payment charge be applied in the months following the initial assessment - to the total outstanding amount including previous late payment charges or only to balances representing service related charges?

17. In paragraph 9 of the application the phrase "other qualified vendors" is used. Please explain who these vendors are or will be. If there are specific vendors, please list.

Done at Frankfort, Kentucky, this 8th day of September, 1988.
