TARIFF AND ACCESS SERVICES TARIFF)	

O R D E R

On November 15, 1988, South Central Bell Telephone Company ("SCB") notified the Commission by letter of its intent to file a restructure of the Private Line Services Tariff and the Access Services Tariff. On November 18, 1988, SCB filed a motion pursuant to 807 KAR 5:011, Section 8, requesting permission to provide its subscribers with an abbreviated newspaper notice. The Commission granted SCB's motion on December 2, 1988.

On December 15, 1988, SCB filed its application and proposed tariffs. The application stated that SCB has provided its private line customers written notice by direct mail in addition to the newspaper notice.

The Commission is aware that several local exchange companies concur in SCB's Private Line Services, Access Services, and other affected tariffs. To the extent that local exchange companies do concur in SCB's tariff, and plan to continue to concur, notice of the proposed changes must be given to their subscribers.

IT IS THEREFORE ORDERED that:

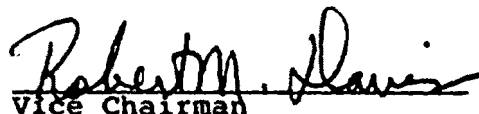

1. All local exchange companies that concur in SCB's Private Line Services Tariff and Access Services Tariff shall notify their subscribers of the proposed rate changes, pursuant to 807 KAR 5:011, Section 8.

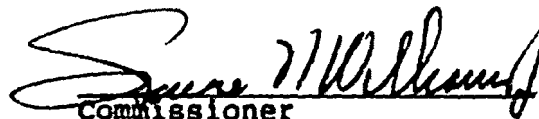

2. All local exchange companies, except SCB, shall file proposed abbreviated notices or an alternative method of notification within 20 days of the date of this Order.
