In the Matter of:

GAS ADJUSTMENT FILING OF )                   CASE NO. 9642-S  
WESTERN LEWIS-RECTORVILLE )  
WATER AND GAS DISTRICT        )

O R D E R

On February 4, 1987, the Commission issued its Order in Case No. 9642 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On July 12, 1989, Western Lewis-Rectorville Water and Gas District ("Western Lewis") notified the Commission that its wholesale cost of gas would be increased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective May 1, 1989, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission is of the opinion and finds that the rates proposed by Transmission have not been approved by the Federal Energy Regulatory Commission to take effect on May 1, 1989. Therefore, the rates proposed by Western Lewis should not be approved.

IT IS THEREFORE ORDERED that the rates proposed by Western Lewis be and they hereby are denied.

Done at Frankfort, Kentucky, this 10th day of August, 1989.
