ORDER

On February 23, 1989, the Attorney General, by and through his Utility and Rate Intervention Division ("AG"), filed a motion with the Commission to extend until the end of business on Monday, February 27, 1989 the time in which to submit additional data requests to Hardin County Water District No. 1. The AG states that additional time is required because of the recent flooding of its offices in Frankfort, Kentucky.

The Commission having reviewed the AG's motion finds that it should be granted.

BE IT SO ORDERED.

Done at Frankfort, Kentucky this 24th day of February, 1989.
