

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF KEN GAS OF KENTUCKY,)
INC. FOR APPROVAL TO CONSTRUCT AND FINANCE) CASE NO. 10346
A GAS SYSTEM TO SERVE THE CITY OF HYDEN,)
KENTUCKY)

O R D E R

On August 11, 1988, Ken Gas of Kentucky, Inc. ("Ken Gas") filed an application for a Certificate of Public Convenience and Necessity to authorize construction of a natural gas system to serve the city of Hyden, Kentucky. By Orders dated April 10, 1989 and May 24, 1989, respectively, Ken Gas was directed to file additional information to support its application. From a review of Ken Gas's responses in this case, it is apparent that Ken Gas has not provided a copy of its Investment Banking Agreement specifying the proposed source and use of funds for this project and that Ken Gas needs to provide additional clarification for some responses regarding construction specifications and the qualifications of contractors.

After consideration of the filings in this case and being otherwise sufficiently advised, the Commission finds that further clarification of Ken Gas's proposal is needed and accordingly an informal conference between Ken Gas and Commission Staff should be held.

IT IS THEREFORE ORDERED that Ken Gas shall appear at an informal conference to be held at the Commission's offices in

Frankfort, Kentucky on July 18, 1989 at 2:00 p.m., Eastern Daylight Time, for the purpose of discussing Ken Gas's responses to the Commission's data requests.

IT IS FURTHER ORDERED that Ken Gas shall provide seven copies of its Investment Banking Agreement at the above-mentioned conference.

Done at Frankfort, Kentucky this 30th day of June, 1989.
