

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE TARIFF FILING OF SOUTH CENTRAL)
BELL TELEPHONE COMPANY TO RESTRUCTURE) CASE NO. 10403
ITS LIGHTGATE SERVICE TARIFF)

O R D E R

On March 20, 1989, AT&T Communications of the South Central States, Inc. ("AT&T"), through counsel, filed a motion for leave to file a brief in this proceeding. In support of its motion AT&T stated that it is aware that the Commission has requested 30 additional days to consider this proposed tariff and that it believes a brief would be necessary due to the complexity of the issues. AT&T further states that its brief would focus on inequities of the resell prohibition contained in the tariff as well as the issue of electronically and functionally equivalent services, if permitted to file a brief.

On March 23, 1989, South Central Bell Telephone Company filed its response to AT&T's motion. South Central Bell states that neither the Commission nor any party requested leave to file a brief at the conclusion of the hearing and that the issues AT&T wishes to brief are broad rate design issues and beyond the scope of this particular proceeding. Finally, South Central Bell Telephone Company asserts that it granted the extension for the convenience of the Commission and that AT&T has already been heard on all pertinent matters.

The Commission, having reviewed the motion and response and being sufficiently advised, is of the opinion and finds that AT&T's motion should be denied. The record in this proceeding is complete and all parties have been given adequate opportunity to be heard.

BE IT SO ORDERED.
