

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE PUBLIC SERVICE)
COMMISSION OF THE APPLICATION OF THE)
FUEL ADJUSTMENT CLAUSE OF OWEN COUNTY) CASE NO. 10460
RURAL ELECTRIC COOPERATIVE)
CORPORATION FROM NOVEMBER 1, 1986)
TO OCTOBER 31, 1988)

O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 6, 1988 established this case to review and evaluate the operation of the fuel adjustment clause of Owen County Rural Electric Cooperative Corporation ("Owen County") from November 1, 1986 to October 31, 1988.

As a part of this review, the Commission ordered Owen County to submit certain information including, inter alia, its monthly fuel charges for the period under review and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Owen County has complied with this Order. The Commission further ordered that a public hearing be held in this case, but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being sufficiently advised, is of the opinion and finds that:

1. Owen County has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

2. East Kentucky Power Cooperative, Inc. ("EKPC"), the wholesale supplier of Owen County, has been authorized to transfer (roll-in) a 0.80 mills per KWH decrease in its base fuel cost to its base rates.¹

3. Owen County should be authorized to transfer (roll-in) a 0.85 mills per KWH decrease in its base fuel costs to its base rates to reflect, as adjusted for line loss, the transfer of a 0.80 mills per KWH decrease in EKPC's base rates and this can best be accomplished by an energy adder to each KWH sold.

4. The rates and charges in Appendix A, attached and incorporated hereto, are fair, just, and reasonable and reflect the transfer of fuel costs from the fuel adjustment clause to the base rate.

IT IS THEREFORE ORDERED that:

1. The charges and credits applied by Owen County through its fuel adjustment clause for the period November 1, 1986 to October 31, 1988 be and they hereby are approved.

2. Owen County be and it hereby is authorized to transfer to base rates those fuel costs (as adjusted for line-loss) rolled-in by EKPC from its fuel adjustment clause to its base rates.

¹ Case No. 10437, An Examination by the Public Service Commission of the Application of the Fuel Adjustment Clause of East Kentucky Power Cooperative Corporation, Inc.

3. The rates in Appendix A are approved for service rendered by Owen County on and after May 1, 1989.

4. Within 30 days of the date of this Order, Owen County shall file with the Commission revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 31st day of March, 1989.
