SYSTEM LOCATED IN OLDHAM COUNTY,)
KENTUCKY AND FOR A RATE ADJUSTMENT)

O R D E R

IT IS ORDERED that River Bluffs, Inc. ("River Bluffs") shall file an original and 10 copies of the following information with this Commission, with a copy to all parties of record, by February 27, 1989. If the information cannot be provided by this date, you should submit a Motion for an Extension of Time stating the reason a delay is necessary and include a date by which it will be furnished. Such Motion will be considered by the Commission.

1. With regard to the health insurance provided for the officers of the utility, please submit the cost of insurance per month for a single plan versus a family plan.

2. Per the supplemental application, River Bluffs proposed to borrow \$5,100 for the payment of deferred salaries to its officers. With regard to this proposed adjustment, please provide the following:

- a. The names of the officers and the amounts owed.
- b. The period over which the liability was incurred.

3. Provide the following information for each current officer of the utility:

- a. Annual compensation.
- b. A detailed description of duties performed.
- c. The average amount of time devoted to the utility per month.

4. Please provide detailed documentation justifying the amount of the proposed adjustment to increase test-year collection system repairs expense to \$1,500.

5. The application for River Bluffs' proposed rate increase did not include a billing analysis as required by the Commission. This information should consist of a list of the number of bills sent out for each month during the test year and the revenue generated from these bills. The total revenue derived should closely match the total revenue amount given in the annual report for the test year.

Done at Frankfort, Kentucky, this 14th day of February, 1989.
