

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF MONTGOMERY)	
COUNTY WATER DISTRICT FOR AN)	CASE NO. 89-087
ADJUSTMENT IN NON-RECURRING CHARGES)	

O R D E R

On April 3, 1989, Montgomery County Water District ("Montgomery County") filed an application with the Commission for authority to increase its tap-on fee and to establish several new charges. Commission review of this application was delayed because of Montgomery County's failure to publish proper notice of its proposed charges and to comply with Commission Regulation 807 KAR 5:011, Section 10. Proper notice was not published and Montgomery County's compliance with Commission regulations did not occur until October 25, 1989.

Montgomery County has provided evidence of the individual expenses incurred to provide the services associated with proposed fee and charges. After reviewing this evidence and being sufficiently advised, the Commission finds that the proposed charges are equal to the expenses incurred to provide the associated services. It further finds that the proposed fee and charges as set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

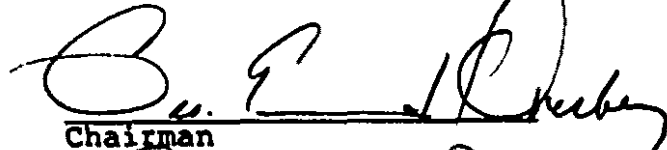

IT IS THEREFORE ORDERED that:

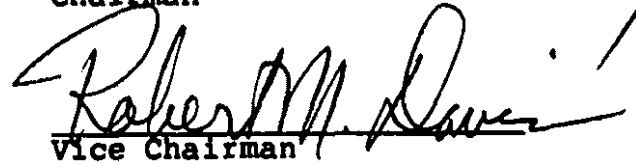

1. The charges in the Appendix to this Order, which is attached hereto and incorporated herein, are approved for service rendered by Montgomery County on and after the date of this Order.

2. Within 30 days from the date of this Order, Montgomery County shall file its revised tariff sheets setting out the charges approved herein.

Done at Frankfort, Kentucky, this 20th day of November, 1989.
