In the Matter of:

THE APPLICATION OF WEST CARROLL WATER)	
DISTRICT FOR RATE ADJUSTMENT PURSUANT)	CASE NO.
TO THE ALTERNATIVE RATE FILING PROCEDURE)	89-015
FOR SMALL UTILITIES)	

O R D E R

On January 20, 1989, West Carroll Water District ("West Carroll") filed its application for Commission approval of a proposed increase in its rates for water service. The proposed rates would generate additional annual revenues of \$14,009, an increase of 13.1 percent above adjusted test-year revenues.

In March 1989, Commission Staff conducted a field review of West Carroll's test-period financial records. Based upon this review, Commission Staff issued its report on May 8, 1989, recommending the proposed rates and rate design be accepted.

By letter, West Carroll was advised to file comments on the Staff Report or request a hearing no later than May 18, 1989 or the case would stand submitted to the Commission for decision. No comments on the Staff Report or requests for a hearing have been received.

The Commission, after considering the evidence of record and being sufficiently advised, finds that:

1. The recommendations and findings contained in the Staff Report are supported by the evidence of record, are reasonable,

and are hereby adopted as the findings of the Commission in this proceeding and are incorporated by reference as if fully set out herein.

2. The rates in Appendix A, attached and incorporated hereto, are the fair, just, and reasonable rates for West Carroll and will produce gross annual revenues of \$117,432. These rates will allow West Carroll sufficient revenues to meet its operating expenses, service its debt, and provide for future equity growth.

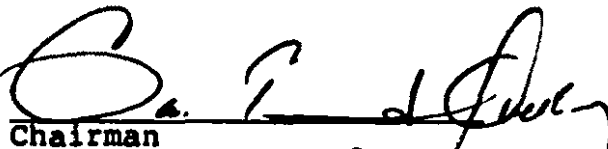

IT IS THEREFORE ORDERED that:

1. The rates proposed by West Carroll and contained in Appendix A are approved for service rendered on and after the date of this Order.

2. Within 30 days of the date of this Order, West Carroll shall file with the Commission its revised tariff setting out the rates approved herein.
