O R D E R

On May 15, 1989, Ken Gas of Kentucky, Inc. ("Ken Gas") filed with the Commission its application seeking a Certificate of Convenience and Necessity to qualify it to bid on a gas franchise in the city of Monticello, Kentucky. Under the provisions of KRS 278.020(3), no utility may apply for a franchise from any governmental agency until it has obtained a Certificate of Convenience and Necessity from this Commission based on its finding that there is a need and demand for the service sought to be rendered.

Since the Commission's authority in such matters is limited by statute to finding only whether there is a need and demand for the service sought to be rendered, no finding or determination is made as to the qualifications of the bidder, the validity of any of the provisions of the franchise offered by said city or the manner in which any franchise fee is to be treated for rate purposes. Additionally,

the Commission does not approve the specific franchise agreement and/or ordinance.

IT IS THEREFORE ORDERED that:
