

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED)
GAS ADJUSTMENT FILING OF)
MT. OLIVET NATURAL GAS COMPANY,) CASE NO. 9918-VV
INC.)

O R D E R

On August 10, 1987, the Commission issued its Order in Case No. 9918 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On March 9, 1990, Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") notified the Commission that its fixed monthly demand surcharge was decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective March 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Mt. Olivet's notice of March 9, 1990 set out certain revisions in rates which Mt. Olivet proposed to place into effect, said rates being designed to pass on the wholesale decrease in the

fixed monthly demand surcharge from its supplier from \$265 to \$150 per month.

(2) In calculating its proposed rates, Mt. Olivet used base retail rates that were not approved. The rates approved in Case No. 9918-UU should be used as the basis for calculating Mt. Olivet's proposed adjustment. The resulting decrease in rates is \$1,380 or 3.13 cents per Mcf.

(3) Transmission applied with FERC for decreased surcharges to be effective March 1, 1990. The effective date for the decrease should be on and after March 1, 1990. Transmission's rates are subject to refund; therefore, Mt. Olivet's rates should be subject to refund.

(4) The corrected adjustment in Mt. Olivet's rates under the PGA adjustment provisions approved by the Commission in its Order in Case No. 9918 dated August 10, 1987 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after March 1, 1990, subject to refund.

IT IS THEREFORE ORDERED that:

(1) The rates proposed by Mt. Olivet are denied.

(2) The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after March 1, 1990, subject to refund.

(3) Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 26th day of March, 1990.
