O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on June 21, 1990 established this case to review and evaluate the operation of the fuel adjustment clause of Fox Creek Rural Electric Cooperative Corporation ("Fox Creek") for the 6 months ended April 30, 1990.

As a part of this review, the Commission ordered Fox Creek to submit certain information and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Fox Creek has complied with this Order. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that Fox Creek has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.
