O R D E R

On September 25, 1989, the Commission issued its Order in Case No. 89-068 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On March 8, 1990, Belfry Gas, Inc. ("Belfry") notified the Commission that its wholesale cost of gas was decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective March 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Belfry's notice of March 8, 1990 set out certain revisions in rates which Belfry proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$35,001 or 46.85 cents per Mcf.

(2) Transmission applied with the Federal Energy Regulatory Commission for decreased rates to become effective March 1, 1990. Transmission's rates are subject to refund; hence, Belfry's rates should be subject to refund.

(3) Belfry's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 89-068 dated September 25, 1989 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after March 1, 1990, subject to refund.

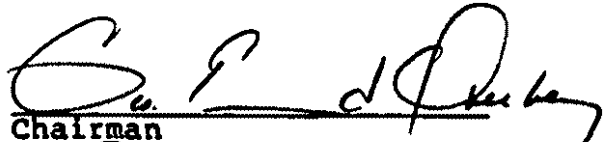

IT IS THEREFORE ORDERED that:

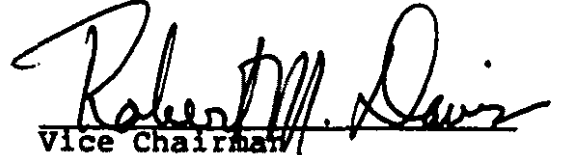

(1) The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after March 1, 1990, subject to refund.

(2) Within 30 days of the date of this Order, Belfry shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 28th day of March, 1990.
