

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS )  
ADJUSTMENT FILING OF BELFRY ) CASE NO. 89-068-R  
GAS, INC. )

O R D E R

On September 25, 1989, the Commission issued its Order in Case No. 89-068 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On November 13, 1990, Belfry Gas, Inc. ("Belfry") notified the Commission that its wholesale cost of gas was decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective November 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Belfry's notice of November 13, 1990 set out certain revisions in rates which Belfry proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$1,972 or 2.64 cents per Mcf.

2. Transmission filed an application with the Federal Energy Regulatory Commission for decreased rates with an effective date of November 1, 1990. Belfry requested a waiver of the 30-day filing requirement. Pursuant to KRS 278.180, upon Belfry's showing of good cause, Belfry's request should be granted. The effective date for the decrease should be November 1, 1990. Transmission's rates are subject to refund; hence, Belfry's rates should be subject to refund.

3. Belfry should file with this Commission the amount of any overcollections received from November 1, 1990 to the date the approved rates are implemented, along with a refund plan.

4. Belfry's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 89-068 dated September 25, 1989 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after November 1, 1990, subject to refund.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after November 1, 1990, subject to refund.

2. Within 30 days of the date of this Order, Belfry shall file with this Commission its revised tariffs setting out the rates authorized herein.

3. Within 30 days of the date of this Order, Belfry shall file the amount of excess revenues collected, along with a refund plan.
