#68 WEST, LOGAN COUNTY, KENTUCKY FOR A)
PRELIMINARY HEARING TO DETERMINE THE) CASE NO.
DESIRABILITY OF THE FORMATION OF A WATER) 89-214
ASSOCIATION)

O R D E R

On July 31, 1989, residents of U.S. Highway #68 West, Logan County, Kentucky ("Residents") filed an application with the Commission pursuant to KRS 74.012 requesting authority to incorporate a non-profit water association. Prior to initiating a feasibility study of the Residents' proposal, Commission Staff requested information from the Residents concerning the capabilities of the city of Russellville, the city of Lewisburg, and the South Logan Water Association, Inc. to provide water service to the area in question.

By Order dated December 20, 1989, the Commission directed that the application of the Residents be held in abeyance until such time as the city of Russellville provided a definitive answer regarding its capability to supply water to the Residents, or until March 1, 1990, whichever occurred first. On February 27, 1990, counsel for the Residents filed a request for a second continuance of this matter, stating that, although progress had been made, the Residents and the city of Russellville were still exploring various possibilities concerning the supplying of water

to the Residents. The Residents stated that an extension of time to continue these efforts would mutually benefit all concerned.

The Commission being otherwise sufficiently advised, IT IS THEREFORE ORDERED that the Residents be and hereby are granted a further extension of time on their application for authority to establish a water association. Said application shall be held in abeyance until such time as the city of Russellville provides a definitive answer regarding its capabilities to supply water to the Residents, or until July 1, 1990, whichever occurs first. If no response is received from the city of Russellville by July 1, 1990, this case will be dismissed without prejudice and without further Order of the Commission.

Done at Frankfort, Kentucky, this 16th day of March, 1990.
