ASSISTED SERVICES )

O R D E R

On September 29, 1989, LiTel Telecommunications Corporation ("LiTel") filed with the Public Service Commission ("Commission") an application and tariff which offers operator-assisted telecommunications services within the state of Kentucky. The tariff was not in conformity with the Commission's Orders in Case No. 10002 and Administrative Case No. 330.<sup>1</sup> The tariff was, therefore, suspended by Order dated October 25, 1989 for 5 months for the purpose of further investigation.

On December 22, 1989, LiTel filed an amended application and tariff; however, the revised tariff referenced LiTel's LightCall Plus rates as the rates to be charged for operator-assisted services. schedule should be filed with the operator services tariff which does not exceed AT&T Communications of the South Central States, Inc.'s ("AT&T's") maximum approved rates. Subsequently, on February 5, 1990, LiTel filed a second revised tariff.

South Central Bell Telephone Company was granted intervention by Order dated December 6, 1989.

The Commission, having reviewed the evidence of record and being sufficiently advised, finds that LiTel's second revised tariff for provision of operator-assisted services filed February 5, 1990 is in conformity with the Commission's Orders in Case No. 10002 and Administrative Case No. 330, is fair, just and reasonable, and should be approved.

IT IS THEREFORE ORDERED that the revised tariff filed February 5, 1990 is hereby approved for services rendered on and after the date of this Order. The tariff pages hereby approved are:
