

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF JACKSON COUNTY)	
RURAL ELECTRIC COOPERATIVE)	
CORPORATION'S REVISION TO ITS)	CASE NO. 89-316
ELECTRIC POWER TARIFF)	

O R D E R

Before the Commission is the application of Jackson County Rural Electric Cooperative Corporation ("Jackson County") for approval of a revision to its electric power tariff. The application was filed as a result of a proposed decrease in power costs from Jackson County's wholesale power supplier, East Kentucky Power Cooperative, Inc. ("EKPC").¹ The rates proposed by Jackson County are intended to flow-through to its customers the scheduled power cost reduction from EKPC. Jackson County's revised tariff was to have become effective December 1, 1989 but was suspended for a period of 5 months.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. EKPC, Jackson County's wholesale power supplier, has been authorized to reduce its rates for wholesale electric power.

¹ Case No. 89-311, The Notice of East Kentucky Power Cooperative, Inc. of a Revision to Its Wholesale Power Tariff.

2. Jackson County should be authorized to reduce its rates in order to effect a flow-through of the wholesale power cost reduction from EKPC.

3. The rates and charges in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and will accomplish a flow-through of the power cost reduction from EKPC.

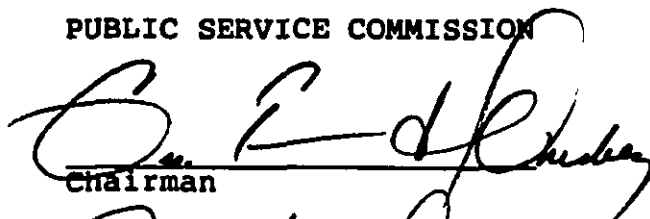

IT IS THEREFORE ORDERED that:

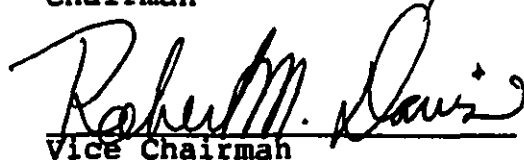

1. The rates and charges in Appendix A are approved for service rendered by Jackson County on and after January 1, 1990.

2. Within 30 days from the date of this Order, Jackson County shall file with the Commission its revised tariff sheets setting out the rates approved herein.

Done at Frankfort, Kentucky, this 4th day of January, 1990.

PUBLIC SERVICE COMMISSION

Chairman
