O R D E R

This matter arising upon the motion of William C. Smallwood to intervene as a full party in this proceeding, and it appearing to the Commission as follows:

Commission Regulation 807 KAR 5:001, Section 3(8), states that any party seeking intervention in a Commission proceeding "shall submit in writing . . . a request for full intervention, which shall specify his interest in the proceeding." It further states that the Commission shall permit a party to intervene in a proceeding only where that "person has a special interest in the proceeding which is not otherwise adequately represented" or where full intervention by that party "is likely to present issues or to develop facts that [will] assist the commission in fully considering the matter without unduly complicating or disrupting the proceedings."

On August 28, 1990, William C. Smallwood filed a motion for leave to intervene in this proceeding. After reviewing this motion, the Commission is unable to discern Mr. Smallwood's

interest in this proceeding. He fails to even identify himself as a customer of Hardin County Water District No. 1. Furthermore, he does not explain how his interests in this proceeding are inadequately represented at present. Finally, he fails to state how his presence will assist the Commission in fully considering the issues presented by Hardin County Water District No. 1's application. Accordingly, the Commission finds that Mr. Smallwood's motion fails to meet the regulatory prerequisites for full intervention and should not be granted.

IT IS THEREFORE ORDERED that Mr. Smallwood shall have ten days from the date of this Order to amend his motion to conform with Commission Regulation 807 KAR 5:001, Section 3(8). If he fails to file a motion complying with Commission regulations by that date, his motion for leave to intervene shall be denied without further order of the Commission.

Done at Frankfort, Kentucky, this 7th day of September, 1990.
