

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN ADJUSTMENT OF GAS AND ELECTRIC RATES )  
OF THE UNION LIGHT, HEAT AND POWER ) CASE NO. 90-041  
COMPANY )

O R D E R

On June 6, 1990, the Attorney General's office, Utility and Rate Intervention Division ("AG"), filed a motion requesting the Commission to amend the procedural schedule established in this case. Specifically, the AG seeks a 15 day extension of the due date for filing intervenors' testimony, an 11 day extension in the due date for information request to intervenors, and an 8 day extension in the due date for intervenors' responses to information requests.

Based on the motion and being advised, the Commission hereby finds that the extension of time as requested would result in intervenors' responses to data requests being filed six days prior to the commencement of the hearing. This suggested schedule will not provide for sufficient time to review and analyze the information responses and adequately prepare for the hearing. Therefore, the Commission finds that a shorter extension of time should be granted.

IT IS THEREFORE ORDERED that the procedural schedule previously established by Commission Orders dated April 24, 1990 and May 4, 1990 be and they hereby are modified as follows:

1. Intervenors shall file their testimony in verified, prepared form by July 9, 1990.

2. All requests for information to intervenors shall be due by July 18, 1990.

3. Intervenors shall mail or deliver responses to requests for information by August 1, 1990.

Done at Frankfort, Kentucky, this 8th day of June, 1990.
