In the Matter of:

THE TARIFF FILING OF MOUNTAIN WATER)
DISTRICT TO CHANGE THE SERVICE) CASE NO. 90-095
CONNECTION FEES)

O R D E R

On April 12, 1990, Mountain Water District ("Mountain") filed an application with the Commission to increase its service connections charge for 5/8 x 3/4 inch meters and 1 inch meters, and charge actual cost for meters larger than 1 inch. Mountain has proposed that these rates become effective on and after June 1, 1990.

The Commission finds that, pursuant to KRS 278.190, further proceedings are necessary in order to determine the reasonableness of the proposed rates and that such proceedings cannot be completed prior to the proposed effective date.

IT IS THEREFORE ORDERED that:

1. The proposed tariff be and hereby is suspended for five months from the proposed effective date, through November 1, 1990.
2. Nothing in this Order shall prevent the Commission from entering a final decision in this case prior to the termination of the suspension period.

Done at Frankfort, Kentucky, this 21st day of May, 1990.
