On June 29, 1990, Green-Taylor Water District ("Green-Taylor") filed an application for a Certificate of Public Convenience and Necessity to construct a \$1,590,000 waterworks improvement project and for approval of its plan of financing for this project. This project will provide service to 250 additional customers. Project funding includes a \$726,000 loan from the Farmers Home Administration ("FmHA"), an \$814,000 grant from FmHA, and \$50,000 from applicants for service in the proposed project area. The loan will be for a 40-year period at an interest rate of 5 percent per annum.

Green-Taylor's application was made pursuant to KRS 278.023 which requires the Commission to accept agreements between water districts and FmHA and to issue the necessary orders to implement the terms of such agreements within 30 days of satisfactory completion of the minimum filing requirements. 2. Green-Taylor's proposed plan of financing with FmHA is accepted.

Nothing contained herein shall be deemed a warranty of the Commonwealth of Kentucky, or any agency thereof, of the financing herein accepted.
