

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

NOTICE OF GAS COST ADJUSTMENT)
FILING OF AUXIER ROAD GAS)
COMPANY, INC.) CASE NO. 10288-G

O R D E R

On April 10, 1991, the Commission issued its Order in Case Nos. 10288-D and 10288-E approving the gas cost adjustment ("GCA") clause of Auxier Road Gas Company, Inc. ("Auxier"). The clause allowed for the quarterly adjustment in rates as set forth herein.

On May 17, 1991, Auxier filed its quarterly GCA, which is to become effective July 1, 1991 and is to remain in effect until October 1, 1991.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Auxier's notice of May 17, 1991 set out certain revisions in rates which Auxier proposed to place into effect, said rates being designed to pass on to its customers the wholesale increase in gas costs from its suppliers. In calculating its wholesale increase, Auxier misstated its wholesale purchases and sales for the 12 months ended March 31, 1991. Correcting for this error results in an expected gas cost for Auxier in the amount of \$3.6412 per Mcf.

2. Auxier's notice set out no refund adjustment.

3. Auxier proposed an actual adjustment in the amount of 9.53 cents per Mcf. Auxier based its adjustment solely on gas purchase volumes. In the instant case, Auxier's line loss is negative. Auxier should use actual purchase volumes and actual sales volumes in its actual adjustment computation. Auxier's actual adjustment should be 7.77 cents per Mcf, including an actual adjustment for the reporting period of 4.5 cents per Mcf.

4. Auxier's notice included a balance adjustment. This amount should not have been included. The balance adjustment may not be used to reconcile over- or under-recovery of gas cost experienced before Auxier's GCA clause was approved.

5. The combined effect of the above adjustments, as corrected, is Auxier's gas cost recovery rate ("GCR") in the amount of \$3.7189 per Mcf, which is an increase of 63.06 cents per Mcf from its last approved rates.

6. Auxier's corrected adjustment in rates, set out in the Appendix to this Order, pursuant to the GCA provisions approved by the Commission in its Order in Case Nos. 10288-D and 10288-E dated April 10, 1991 is fair, just, and reasonable, in the public interest, and should be effective with service rendered on and after July 1, 1991.

IT IS THEREFORE ORDERED that:

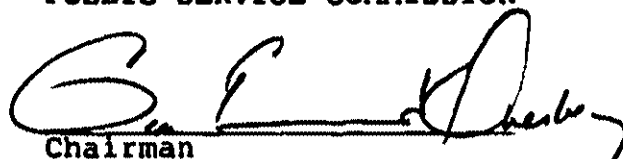

1. The rates proposed by Auxier be and they hereby are denied.

2. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable, and are approved effective with service rendered on and after July 1, 1991.

3. Within 30 days of the date of this Order, Auxier shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 1st day of July, 1991.
