O R D E R

IT IS ORDERED that Johnson County Gas, Inc. ("Johnson County") shall file the original and 12 copies of the following information with the Commission within 10 days of the date of this Order.

4. Exhibit I indicates that supplier volumes are calculated. Provide the detail of the calculations involved in

producing these numbers beginning with actual supply volumes for the 12 months ended December 31, 1990.

5. What is the source of the transportation identified in Exhibit I? Provide a copy of the most recent bill from this transporter.

Done at Frankfort, Kentucky, this 2nd day of April, 1991.
