BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF PARKSVILLE WATER)
DISTRICT FOR A RATE ADJUSTMENT PURSUANT)
TO THE ALTERNATIVE RATE FILING PROCEDURE)
FOR SMALL UTILITIES)

CASE NO. 90-251

O R D E R

On February 8, 1991, the Parksville Water District ("Parksville") filed a motion with the Commission requesting an extension of time of 30 days to respond to the Staff Report issued on January 29, 1991. As grounds for its motion, Parksville stated that it needed additional time to review the report as it was preparing data related to the financing of improvements to its system mandated by the Commission which may affect its decision whether or not to accept the recommendations of the Staff Report. Parksville also stated that it was attempting to determine if the rates proposed by the Staff are adequate to allow it to borrow money to fund these mandated improvements.

Parksville's request appears reasonable on its face. However, in view of the fact that Parksville notified the Commission on January 28, 1991 that it intended to place its proposed rates into effect, subject to refund, on February 18, 1991, the Commission finds that it would be inappropriate to grant the request for an extension of time.

IT IS THEREFORE ORDERED that Parksville's motion for an extension of time to respond to the Staff Report be and it hereby is denied.

Done at Frankfort, Kentucky, this 15th day of February, 1991.
