O R D E R

On November 26, 1990, Willabrook Sanitation, Inc. ("Willabrook") submitted an application for a Certificate of Public Convenience and Necessity and for approval of its proposed plan of financing and its proposed rates. In its application, Willabrook requested a waiver from filing a financial exhibit and tax returns as required by 807 KAR 5:071, Sections 3(1)(e) and (i). Since Willabrook has yet to begin its sewer operations and was not incorporated until May 1990, the information required by these regulations does not exist. Accordingly, the Commission finds that Willabrook should be granted the requested waiver.

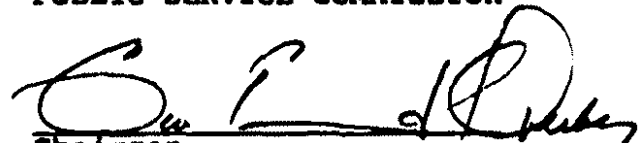

IT IS THEREFORE ORDERED that:

1. Willabrook is hereby granted a waiver from the filing requirements of 807 KAR 5:071, Sections 3(1)(e) and (i).

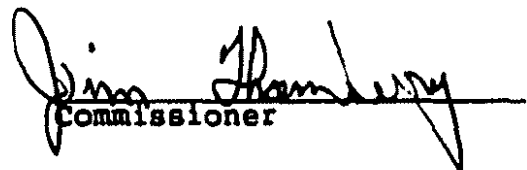

2. Willabrook shall file with this Commission a copy of its federal and state income tax returns for the year 1990 concurrent with its filing of these returns with federal and state tax authorities.

Done at Frankfort, Kentucky, this 25th day of January, 1991.
