On April 11, 1991, Kenton County Water District No. 1 ("Kenton District") filed an application with the Commission wherein it proposes to adjust its water rates for service rendered on and after May 1, 1991. As KRS 278.160 requires a utility to provide 30 days' notice of any rate adjustment, Kenton District's proposed rate adjustment will become effective on May 11, 1991.

The Commission finds that further proceedings are necessary in order to determine the reasonableness of the proposed rates and that such proceedings cannot be completed prior to the effective date.

IT IS THEREFORE ORDERED that:

1. The proposed rates hereby are suspended pursuant to KRS 278.190(2) up to and including October 10, 1991.

2. Kenton District shall provide public notice of the proposed rates in accordance with the provisions set out in 807 KAR 5:011, Section 8(2) and (3).

3. The procedural schedule appended hereto shall be followed.

4. All requests for information and responses thereto shall be appropriately indexed. All responses shall include the name of the witness who will be responsible for responding to the questions related to the information provided, with copies to all parties of record and 12 copies to the Commission.

5. Kenton District shall give notice of the hearing in accordance with the provisions set out in 807 KAR 5:011, Section 8(5).

6. Motions for extensions of time with respect to the schedule herein shall be made in writing and will be granted only upon a showing of compelling reasons.

7. Nothing contained herein shall prevent the Commission from entering further Orders in this matter.
