

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

REQUEST OF AT&T COMMUNICATIONS OF)	
THE SOUTH CENTRAL STATES, INC. FOR)	
ADJUSTMENT OF CUSTOM NETWORK)	CASE NO. 91-223
SERVICES RATES)	

O R D E R

On June 7, 1991, AT&T Communications of the South Central States, Inc. ("AT&T") filed a motion to deviate from 807 KAR 5:011, Section 8(1); 807 KAR 5:001, Section 6; and 807 KAR 5:001, Section 10(1)(c).

The provisions of 807 KAR 5:011, Section 8(1), require that a utility file a letter of intent at least 4 weeks prior to a rate adjustment request. AT&T moves the Commission to waive this requirement in order that its proposed rate changes can be implemented more expeditiously than otherwise would be possible.

The provisions of 807 KAR 5:001, Section 6, require an applicant for a rate adjustment to file certain financial information. AT&T moves the Commission to waive this requirement and substitute a revenue analysis of the proposed rate changes.

The provisions of 807 KAR 5:001, Section 10(1)(c), require an applicant for a rate adjustment to file a description of its property. AT&T moves the Commission to waive this requirement as irrelevant to the reasonableness of the proposed rate changes.

The Commission, having considered the motion and being otherwise sufficiently advised, finds that it should be granted.

IT IS THEREFORE ORDERED that AT&T's motion to deviate from 807 KAR 5:011, Section 8(1); 807 KAR 5:001, Section 6; and 807 KAR 5:001, Section 10(1)(c) is granted.

Done at Frankfort, Kentucky, this 9th day of July, 1991.
