

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

PURCHASED WATER ADJUSTMENT OF )  
NORTH SHELBY WATER COMPANY ) CASE NO. 91-330

O R D E R

On September 13, 1991, North Shelby Water Company ("North Shelby") filed its revised tariff with the Public Service Commission ("Commission") for the purpose of adjusting its rates pursuant to the purchased water adjustment procedure, KRS 278.012 and 807 KAR 5:068.

The Commission, having reviewed the evidence of record and being otherwise sufficiently advised, finds that:

1. North Shelby purchases water from the Louisville Water Company ("Louisville"), Shelbyville Water and Sewer ("Shelbyville"), and the Frankfort Electric and Water Plant Board ("Frankfort").

2. Effective with its water bill due October 15, 1991, Frankfort increased its rates for wholesale water from 90 cents to 98 cents per 1,000 gallons. There has been no change in the rates charged by Shelbyville and Louisville. The average monthly bill will increase from \$28.06 to \$28.37, which is an increase of 1.10 percent.

3. North Shelby proposes to increase the rates to its customers effective October 15, 1991.

4. During the 12 months ending July 31, 1991, North Shelby purchased a total of 305,679,170 gallons of water, 108,040,000 gallons of which were purchased from Frankfort, 56,698,000 gallons of which were purchased from Louisville, and 140,941,170 gallons of which were purchased from Shelbyville.

5. North Shelby sold 227,418,443 gallons of water during the same 12-month period.

6. The increase in purchased water costs is \$8,643, resulting in a purchased water adjustment of 4 cents per 1,000 gallons of water.

7. The purchased water adjustment of 4 cents per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and should be approved.

8. The tariff sheet proposed by North Shelby should be denied in that the tariff is not signed by the utility officer authorized to issue the tariff.

IT IS THEREFORE ORDERED that:

1. The tariff sheet filed by North Shelby is hereby denied.
2. The purchased water adjustment of 4 cents per 1,000 gallons and the rates in Appendix A are hereby approved for services rendered on and after October 15, 1991.
3. Within 30 days of the date of this Order, North Shelby shall file a revised tariff, signed by the appropriate utility officer, setting out the rates approved herein.

4. Within 20 days of the date rates approved herein are placed into effect, North Shelby shall file verification that notice has been given to its customers.

Done at Frankfort, Kentucky, this 1st day of October, 1991.
