

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED)	
GAS ADJUSTMENT FILING OF)	CASE NO. 10398-EE
MOUNTAIN UTILITIES, INC.)	

O R D E R

On March 21, 1989, the Commission issued its Order in Case No. 10398 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On October 1, 1992, Mountain Utilities, Inc. ("Mountain") notified the Commission that its wholesale cost of gas would be increased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective October 1, 1992, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. Mountain's notice of October 1, 1992 set out certain revisions in rates which Mountain proposed to place into effect, said rates being designed to pass on the wholesale increase in price from its supplier in the amount of \$44,240 or 76.61 cents per Mcf.

2. Kentucky West filed an application with the Federal Energy Regulatory Commission for increased rates with an effective date of October 1, 1992. Mountain requested a waiver of the 30-day filing requirement. Pursuant to KRS 278.180, upon Mountain's showing of good cause, Mountain's request should be granted. The effective date for Mountain's increase should be on and after the date of this Order. Kentucky West's rates are subject to refund; hence, Mountain's rates should be subject to refund.

3. Mountain's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 10398, dated March 21, 1989, is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after the date of this Order, subject to refund.

IT IS THEREFORE ORDERED that:

1. The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after the date of this Order, subject to refund.

2. Within 30 days of the date of this Order, Mountain shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 23rd day of October, 1992.
