Americoal Corporation ("Americoal") moves to supplement the record of the November 20, 1991 hearing on its motion for injunction. Boone County Water and Sewer District ("Boone District") has filed a response in opposition to Americoal's motion.

After reviewing Americoal's motion and Boone District's response thereto and being otherwise sufficiently advised, the Commission finds that Americoal's motion should be denied.

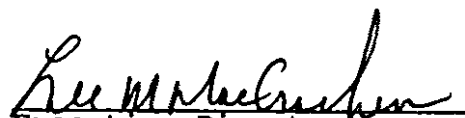

IT IS THEREFORE ORDERED that Americoal's motion to supplement the record is denied.

Done at Frankfort, Kentucky, this 2nd day of January, 1992.
