

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF HAYMOND WATER DISTRICT)	
FOR RATE ADJUSTMENT PURSUANT TO THE)	CASE NO.
ALTERNATIVE RATE FILING PROCEDURE)	91-255
FOR SMALL UTILITIES)	

O R D E R

On July 29, 1991, Haymond Water District ("Haymond") filed its application for Commission approval of a proposed increase in its rates for water service. Haymond proposed rates for water service which would generate additional annual revenues of \$13,272, an increase of 79 percent.

On August 13, 1991, the Commission Staff conducted a field review of Haymond's test-period financial records. Based upon this review, Commission Staff issued a report on February 25, 1992 recommending no adjustment to Haymond's current rates.

By Order dated February 28, 1992, the Commission advised Haymond that comments on the Staff Report or requests for a public hearing must be submitted no later than 15 days from the date of said Order or the case would stand submitted to the Commission for decision. No comments on the Staff Report nor request for a public hearing have been received from Haymond.

The Commission, after consideration of the evidence of record and being otherwise sufficiently advised, finds that:

1. The recommendations and findings contained in the Staff Report are supported by the evidence of record, are reasonable, and are hereby adopted as the findings of the Commission in this proceeding and are incorporated by reference as if fully set out herein.

2. The rates proposed by Haymond would produce revenue increases of that found unreasonable herein and should be denied upon application of KRS 278.030.

IT IS THEREFORE ORDERED that:

1. The rates proposed by Haymond in its application are hereby denied.

2. The schedule of rates previously approved for Haymond shall remain in effect.

Done at Frankfort, Kentucky, this 2nd day of April, 1992.

PUBLIC SERVICE COMMISSION
