O R D E R

On June 15, 1992, Danbury Cellular Telephone Company d/b/a Cellular One/United Bluegrass Cellular Corporation ("Danbury") filed a letter, by counsel, giving notice of intent to abandon the Certificate of Public Convenience and Necessity to construct and operate a cell site near Frazer, Wayne County, Kentucky. The certificate was granted to Danbury by Commission Order dated January 16, 1992. Danbury states that this cell site, commonly known as the Sulphur Ridge site, is not cost justified due to greater than anticipated cellular coverage from surrounding cell sites.

Based on Danbury's notice and being advised, the Commission hereby finds that the Certificate of Public Convenience and Necessity to construct and operate the cell site near Frazer, Kentucky, should be revoked.

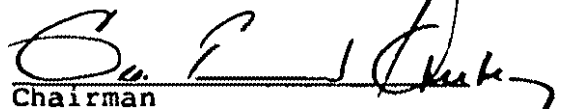

IT IS THEREFORE ORDERED that:

1. The Commission's January 16, 1992 Order be and it hereby is modified to the extent that ordering paragraph 2(d) authorizing a certificate of public convenience and necessity to construct and operate a cell site near Frazer, Kentucky, be and it hereby is revoked.

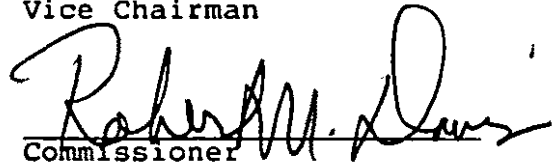

2. All other provisions of the Commission's January 16, 1992 Order shall remain in full force and effect.

Done at Frankfort, Kentucky, this 9th day of July, 1992.
