On December 5, 1991, Long Distance Management and TMC of Southern Kentucky ("Petitioners") filed a motion to hold this proceeding in abeyance for 90 days to enable it to obtain the services of a consulting firm to review South Central Bell Telephone Company's ("South Central Bell") audit of their percentage of interstate usage. South Central Bell filed a response in opposition asserting the delay would be prejudicial.

The Commission, after considering the motion and being otherwise sufficiently advised, HEREBY ORDERS that this matter is hereby held in abeyance for a period of 90 days from the date of this Order. Comments of Petitioners in response to South Central Bell's comments are accordingly due 90 days from the date of this Order.

Done at Frankfort, Kentucky, this 13th day of January, 1992.
