	)	
vs.	)	CASE NO. 91-316
	)	
EQUITABLE GAS COMPANY	)	
	)	
DEFENDANT	)	

O R D E R

IT IS ORDERED that Equitable Gas Company ("Equitable") shall file the original and 10 copies of the following information with the Commission within 10 days of the date of this Order with a copy to all parties of record. Each copy of the information requested should be placed in a bound volume with each item tabbed. When a number of sheets are required for an item, each sheet should be appropriately indexed, for example, Item 1(a), Sheet 2 of 6. Include with each response the name of the witness who will be responsible for responding to questions relating to the information provided. Careful attention should be given to copied material to ensure that it is legible.

1. Provide a map depicting the route of Kentucky West Virginia Gas Company Pipeline No. 1 in Johnson County and Floyd County, Kentucky. This map should identify:

a. The gas pipelines and associated facilities of other gas utilities located within the mapped area and their ownership.

b. The size, material, and operating conditions of the subject pipeline.

c. The compressor stations and the connecting wells to the subject pipeline.

d. The location of customers William L. Burchette and Langley Brown and the air distance between their premises and the taps on the subject pipeline.

2. State whether Equitable considers the services provided by the subject pipeline to be farm tap services or local distribution services. Explain why.

3. State whether Equitable considers the subject pipeline as a gathering line or an intrastate pipeline. Explain why.

Done at Frankfort, Kentucky, this 7th day of February, 1992.
