O R D E R

This case involves a complaint filed with the Commission by Clinton Cross ("Cross") against the Garrard County Water Association, Inc. ("Garrard") concerning \$8.61 in penalties assessed to Cross's account.

On December 6, 1991, the Commission ordered both parties to file a written request for an informal conference or hearing; and that if no request was made this case shall stand submitted to the Commission for its decision. The Commission additionally provided that all parties had 14 days to file any additional information which may be helpful in deciding the issues in this case.

On December 19, 1991, the Commission received a response from Garrard in which it stated that it does not desire an informal conference or hearing at this time.

As additional information, Garrard submitted that Cross was sent by check the amount of \$8.61,<sup>1</sup> the total of the penalties assessed to his account. According to Garrard, this money was from a private donation by the directors of Garrard.

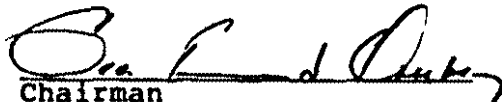

Cross failed to file either a request for an informal conference or hearing or any additional information. Since no request was made by either of the parties, this case stands submitted to the Commission for its decision.

Cross requested in his complaint that he be reimbursed for the \$8.61 in penalties that he has paid. Since Cross has been reimbursed, the Commission finds that there no longer exists any controversy concerning the complaint.

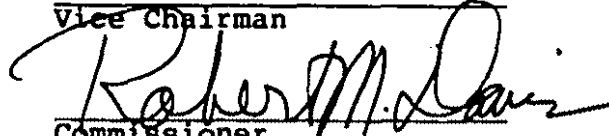

Based on the foregoing, and the Commission being otherwise sufficiently advised, IT IS THEREFORE ORDERED that the complaint is dismissed with prejudice.

Done at Frankfort, Kentucky, this 9th day of January, 1992.

Dear Mr. Cross:

Please find attached my personal check in the amount of \$8.61. This amount was personally donated by the directors of this Association during a recent meeting to be forwarded to you. I believe that you will recognize this sum as the total of penalties assessed to your account earlier this year for late payment charges.

I shall not waste your time or mine in again addressing the events leading to this controversy. Suffice it to say that the directors of the Association are sympathetic to your situation in that everything that could have gone wrong with your attempt to pay your bill did. We hope that a lesson has been learned.

Let me take this opportunity to express to you best wishes for the Holidays.

Sincerely,

Harold C. Ward  
President/Executive Director
