O R D E R

On February 3, 1992, Telegroup, Inc. ("Telegroup") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to resell intrastate long-distance telecommunications services within the Commonwealth of Kentucky.

By Order of February 28, 1992, the Commission requested that additional information be filed. Telegroup filed its response on March 27, 1992.

Telegroup is an Iowa corporation proposing to resell AT&T Communications of the South Central States, Inc. ("AT&T") tariffed services to small and medium-sized users within the Commonwealth of Kentucky in accordance with the terms and conditions set forth in its tariff. Telegroup is not seeking authority to provide any operator-assisted telecommunications services.

Telegroup neither owns, leases, nor operates any switching, transmission, or other physical facilities in the Commonwealth of Kentucky, and no such facilities will be used by Telegroup in

providing long-distance service in the Commonwealth of Kentucky. Telegroup will offer a credit card on AT&T's Software Defined Network called Telecard.

The application provided by Telegroup demonstrates its financial, managerial, and technical capability. The rates proposed should be approved as the fair, just, and reasonable rates to be charged.

The Commission, having considered the application and the information provided by Telegroup, and being otherwise sufficiently advised, HEREBY ORDERS that:

1. Telegroup be and it hereby is granted authority to provide intrastate, long-distance telecommunications services within the Commonwealth of Kentucky on and after the date of this Order.

2. Telegroup shall comply with the provisions of the Orders in Administrative Case No. 323.<sup>1</sup>

3. Telegroup's authority to provide service in this Commonwealth is strictly limited to those services described in this Order and Telegroup's application.

4. The rates proposed by Telegroup are hereby approved.
