On July 7, 1992, the Commission issued an Order granting Telecare, Inc. ("Telecare") a 30-day extension in which to fully respond to the Commission's June 11, 1992 Order. It was further ordered that Telecare's motion for an informal conference be held in abeyance pending its response to the June 11, 1992 Order. Telecare filed its response on August 3, 1992.

Telecare's request for an informal conference concerns a matter addressed in a proceeding established by the Commission as Case No. 92-351.<sup>1</sup> If Telecare would like to have an informal conference to discuss issues to be addressed in that proceeding, then a request should be filed in Case No. 92-351.

Telecare's request for an informal conference does not involve issues pertaining to this case.

IT IS THEREFORE ORDERED that no further action be taken on Telecare's request.
