

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

A TARIFF FILING OF GREEN RIVER)
ELECTRIC CORPORATION THAT REVISES) CASE NO. 92-086
STREET LIGHTING SERVICES FOR)
ENTITIES ORGANIZED UNDER KRS 179.470)

O R D E R

IT IS ORDERED that Green River Electric Corporation ("Green River") shall file an original and six copies of the following information with this Commission, with a copy to all parties of record within 10 days from the date of this Order. If the information cannot be provided by this date, Green River should submit a motion for an extension of time stating the reason a delay is necessary and include a date by which it will be furnished. Such motion will be considered by the Commission.

1. Clarify Case No. 90-375 which is cited as the source for the methodology used to develop street lighting charges. According to Commission records, this is a 2-year Fuel Adjustment Clause case.

2. Provide the following information:

- a. Invoices or other documents verifying the cost of poles.
- b. Invoices or other documents to verify the cost of other materials.
- c. Work papers to verify the labor charges proposed.

d. Justification of the 6.125 percent annual cost of debt.

e. Justification of the 360-month amortization term.

3. The new section in the tariff filed on February 11, 1992 stated that an additional charge of \$1.85 per month, per pole, will be added to the standard charges for street lighting. Would the \$1.85 per month additional charge apply in a case where there is an existing pole and the light can be installed on it? If yes, explain the reason for this charge.

Done at Frankfort, Kentucky, this 13th day of April, 1992.
