

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE APPLICATION OF INDEPENDENT CELLULAR     )  
NETWORK TO REVISE ITS CURRENT TARIFF     ) CASE NO. 92-091

O R D E R

On March 5, 1992, Independent Cellular Network, Inc. ("Independent Cellular") filed with the Commission a revision to its current tariff. In its filing, Independent Cellular requested a deviation from 807 KAR 5:011, Section 6, which requires that the Commission and public be given at least 30 days notice before a tariff becomes effective. On April 8, 1992, we denied Independent Cellular's request and, lacking proper notice to the public by Independent Cellular, suspended the effective date of the tariff up to and including September 7, 1992 ordering it to publish notice and furnish verification of such notice to the Commission.

On April 22, 1992, Independent Cellular filed an affidavit of notice pursuant to the Commission's April 8, 1992 Order. The affidavit satisfies the notice requirements of the Commission's regulations.

IT IS THEREFORE ORDERED that:

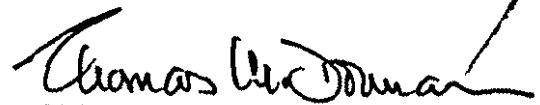

1. Independent Cellular's tariff revision is approved effective on and after May 8, 1992.

2. Within 30 days from the date of this Order, Independent Cellular shall file its tariffs setting out the rates approved herein.

Done at Frankfort, Kentucky, this 22nd day of May, 1992.
