O R D E R

On March 20, 1992, Todd County Water District ("Todd Water") filed an application for a Certificate of Public Convenience and Necessity to construct a \$417,500 waterworks improvement project, for approval of its plan of financing for this project, and for adjustments to its water service rates. This project will provide service to 38 additional customers. Project funding includes a \$209,000 loan from the Farmers Home Administration ("FmHA"), and a \$208,500 grant from FmHA. The loan will be for a 40-year period at an interest rate of 5 percent per annum.

Todd Water's application was made pursuant to KRS 278.023, which requires the Commission to accept agreements between water districts and FmHA and to issue the necessary orders to implement the terms of such agreements within 30 days of satisfactory completion of the minimum filing requirements. Given that minimum filing requirements were met in this case on March 20, 1992, KRS 278.023 does not grant the Commission any discretionary authority to modify or reject any portion of this agreement.

IT IS THEREFORE ORDERED that:

2. Todd Water's proposed plan of financing with FmHA is accepted.

5. Todd Water shall submit its revised tariff setting out the rates in Appendix A within 30 days of the date of this Order.

6. Todd Water shall monitor the adequacies of the expanded water distribution system after construction. If the level of service is inadequate or declining or the pressure to any customer falls outside the requirements of 807 KAR 5:066, Section 6(1), Todd Water shall take immediate action to bring the system into compliance with Commission regulations.

Nothing contained herein shall be deemed a warranty of the Commonwealth of Kentucky, or any agency thereof, of the financing herein accepted.
