ADJUSTMENT)

O R D E R

On April 15, 1992, Salt River Water District and Kentucky Turnpike Water District (hereinafter referred to as "Joint Petitioners") filed with the Commission a joint petition for approval of a merger and for a rate adjustment. In their filing, Joint Petitioners requested a deviation from the requirements of 807 KAR 5:001, Section 6.

807 KAR 5:001, Section 6, requires that a financial exhibit covering operations for a 12 month period ending not more than 90 days prior to the date the application is filed to be attached to the application. Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the information filed therein is sufficient to enable the Commission to adequately review Joint Petitioners' filing. Therefore, their request for a deviation from the above-cited regulation should be granted.

IT IS THEREFORE ORDERED that Joint Petitioners' request for a deviation from the requirements of 807 KAR 5:001, Section 6, is hereby granted.

Done at Frankfort, Kentucky, this 30th day of April, 1992.
